# WARRANTS, CIRCULARS, &c.

## CIRCULAR. No. 77.

SIR,

*Horse Guards, 29th August, 1856.*

WITH reference to my Circular Letter of the 29th ultimo, communicating the sanction of the Secretary of State for War to the issue "of the full marching allowance for the Soldier, provided the distance travelled in one day and night shall exceed One hundred (100) miles, or the journey be carried into a late hour of the night, and that the Troops shall not be billeted at any place on the journey whereby the allowance of 10d. for the Hot Meal will become due to the Innkeeper," I have now the honor to acquaint you that, upon the recommendation of His Royal Highness the General Commanding-in-Chief, his Lordship has been pleased to approve of a further extension of the full marching allowance being granted under the following conditions, viz:—

"If the journey exceeds 250 miles in one day and night, a second marching allowance may be issued, and a third issue of the said allowance if the journey exceeds 400 miles."

The allowance will therefore be:—

|                                 | s. | d. |
|---------------------------------|----|----|
| For 100 miles and upwards ..... | 1  | 1  |
| " 250 " " .....                 | 2  | 2  |
| " 400 " " .....                 | 3  | 3  |

when the Troops are not billeted.

His Lordship has also been pleased to sanction the second allowance being issued to all Troops conveyed between Liverpool and Aldershot, or between Liverpool and Woolwich, although the distance travelled be under 250 miles, provided the Men are not billeted, and the journey is performed in connection with an embarkation or disembarkation at Liverpool.

I have the honor to be, Sir,

Your most obedient humble Servant,

To Officers commanding Districts,  
Regiments and Depôts.

SIR,

*War Department, Horse Guards, 24th September, 1856.*

THE Secretary of State for War, having had under consideration the question of granting compensation to Officers who were not provided with a free passage for their Horses on the return home of the Army from the East, has decided to allow 30*l.* per Horse (exclusive of bāt animals) in lieu of such free passage, and to cover any loss sustained by Staff and Regimental Officers in disposing of their chargers, with reference to the General Order issued on the subject, dated Head-Quarters, Sebastopol, 26th April last.

But in order that a general rule may prevail, and also to prevent the delay and inconvenience that would ensue from individual claims being forwarded to this Department unsupported by the necessary documents and certificates, I am directed to request that the following rules may be strictly adhered to:—

Officers of the General Staff to prefer their claims through the principal Officer of the Department to which they are attached ;

Officers of the Personal Staff through the General on whose Staff they were employed ;

Majors of Brigade through the General Officer to whose Brigade they were attached ;

Officers of the Medical, Purveying and other Departments through their respective principal Officers ;

Chaplains, officiating Clergymen, and those who held miscellaneous appointments, through the General to whose Division they were attached ;

Regimental Officers, through the Officers commanding their respective Corps.

The General and other Officers to whom the claims shall be thus sent are requested, after carefully examining them, and satisfying themselves that they are just, to embody them in the accompanying Form, and forward the same in duplicate to this Department, all necessary vouchers being attached and certificates duly signed.

Officers commanding Regiments of Cavalry and Infantry, and Corps of the Royal Artillery, &c., are not to include in their returns any Officers who held Staff appointments ; and I am to urge the necessity of full details, or, in their absence, of satisfactory explanations, being clearly given in each case, as otherwise delay in the settlement of all the claims submitted on the same Form will be the result.

I am to add, that compensation will be allowed only for the number of Horses (bât horses excepted) for which, "with an Army in the field," the issue of Forage is warranted by regulation ; and it must be shown and certified that the Horses were necessarily kept and actually foraged at the public expense within one month prior to the embarkation of the claimants.

It must furthermore be clearly proved, by certificate from the proper authorities in the East, who issued the instructions for the embarkation of Horses, that those for which compensation is claimed were not provided with passages at the expense of Government.

I have the honor to be, Sir,

To General and other Officers  
Commanding, &c. &c. &c.

Your obedient Servant,

B. HAWES.

**The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force :**

## **Regulations respecting Foreign Orders.**

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on any such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission, may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorize the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of Her Majesty's Realm.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

## **Regulations respecting Foreign Medals.**

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British subjects in the Army or in the Navy for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British Subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

(Signed) CLARENDON.

IMPORTANT AND NOVEL MILITARY FEATURE.

# PHŒNIX LIFE ASSURANCE COMPANY, 1, LEADENHALL STREET, LONDON.

### Trustees.

LORD ASHLEY—LORD FRANCIS CONYNNGHAM—GERARD HOARE, Esq.

### Directors.

HENRY R. ADDISON, Esq. (MANAGING DIRECTOR), 3, Argyle Square.  
CAPTAIN ARMSTRONG, Sandfield House, Guildford.  
EDWARD COOKE BOURNE, Esq., Regent Street.  
MAURICE EVANS, Esq., 29, Great St. Helen's.  
CHARLES GOOLDEN, Esq., 1, Gray's Inn Square.  
RICHARD H. GOOLDEN, Esq., M.D., 41, Sussex Gardens, Hyde Park.  
REV. H. P. HAUGHTON, M.A., St. James's Parsonage, Victoria Park.  
CAPTAIN CHARLES JOHN HENRY (late of Straffan), Cheltenham.  
REV. W. DOUGLAS VEITCH, M.A., Devonshire Terrace Hyde, Park.  
JOHN ALEXANDER WATT, Esq., Barnes.

It has been represented to this Company, that a young Officer is often under the necessity of declining his promotion *by purchase* for want of the sum, which, by Her Majesty's regulations, should be forthcoming to secure it.

This Company have, therefore, adopted the following plan for amassing it by degrees, and guaranteeing its payment, *whenever it may be required*, to those who are prudent enough to subscribe by half-yearly payments a certain sum, for the purpose of placing their purchase-money beyond a doubt.

**THE PHŒNIX LIFE ASSURANCE COMPANY only propose to assist young Officers to purchase their Lieutenancy, Troop or Company.**

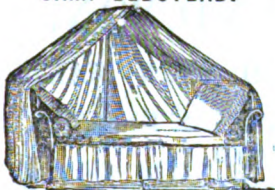

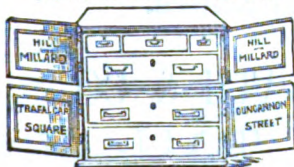

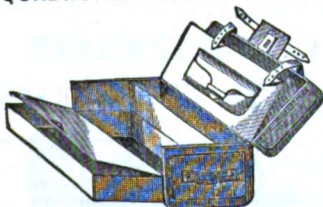

They calculate that an Ensign or Cornet will obtain his Lieutenancy in three years. He (the future purchaser) would therefore have to pay to the Company half-yearly in advance for three years a certain sum, and at the end of that period the amount of £250 or £350 (according to his branch of the Service) would be at his disposal to purchase the step of Lieutenant. These half-yearly payments would amount to £40 : 15s. 10d. for a Lieutenancy of Infantry; £57 : 2s. 2d. for a Lieutenancy of Cavalry.

This, of course, would be nothing more than keeping the money at interest for the young Officer; but the advantage proposed is this. Supposing the step happens to offer itself at any period after thirteen months shall have expired, this Company *are bound to pay the money at once*, the Officer giving security that the remainder of his Six Half-yearly payments shall be duly made as originally agreed upon. at the same time assuring his Life for the amount, which he can drop if he pleases when the money is paid off. Should the Officer, however, quit the service or die before his turn for purchase arrives, the full amounts he has paid in will be instantly returned to him or to his heirs.

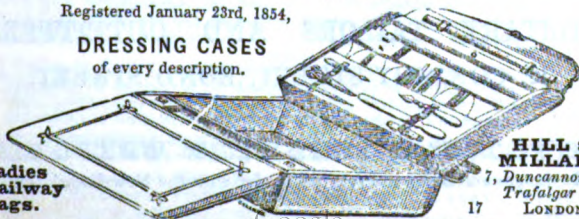

A young Subaltern may assure the purchase-money of his Troop or Company in the same way. The period calculated upon for this promotion is seven years; but the money would be advanced by the Company at any period after three years' payments; the condition and terms being precisely the same as those laid down in the case of a Lieutenancy; the rate being £131 : 7s. 2d. half-yearly for a Troop of Cavalry; £70 : 19s. for a Company of Infantry.

More ample details will be given on application (personal or in writing) to the Chief Office, No. 1, Leadenhall Street, London.

E. DANIELS,  
SECRETARY.

# BANK OF DEPOSIT,

No. 3, PALL MALL EAST, LONDON.

ESTABLISHED A.D. 1844.

CAPITAL STOCK £500,000.

THIS Association is composed of two distinct and separate branches : the one comprising the business of a BANK OF DEPOSIT for the Investment of Capital; the other, the ordinary transactions of LIFE ASSURANCE.

## BANKING DEPARTMENT.

The object of this Department is to afford a safe and easy mode of Investment, and to effect important improvements in the present system of Monetary economy, both as regards the security afforded to the Public, and the rate of Interest realized.

The plan of the Bank of Deposit differs materially from that of ordinary Banks, in the mode of investing Capital. Ultimate profit and security being the main objects regarded, the Board of Management principally employ their Funds in Loans upon vested Life Interests, and other similar securities, and in the purchase of well secured Reversions, a class of securities, which, although not immediately convertible, it is well known yields the greatest amount of profit, combined with the most perfect safety.

## RATE OF INTEREST.

*The present rate of Interest is Five per cent. per annum, payable half-yearly; and the Board of Management confidently anticipate that a careful and judicious selection from securities of the above description will enable them to continue this rate to the Depositors.*

## INVESTMENT ACCOUNTS.

Money is received daily between the hours of TEN and FOUR o'clock. Investment Accounts may be opened with Capital of any amount, and increased from time to time, at the convenience of Depositors.

A Stock Voucher, signed by Two Directors, is given for each Sum deposited.

## INTEREST.

The INTEREST is payable in JANUARY and JULY, and, for the convenience of parties residing at a distance, may be received at the Branch Offices, or through Country Bankers, without expense.

PETER MORRISON, *Managing Director.*

**Prospectuses and Forms for opening Accounts sent free on application.**

**The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force :**

## **Regulations respecting Foreign Orders.**

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The Intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on any such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission, may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorize the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of Her Majesty's Realm.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

---

## **Regulations respecting Foreign Medals.**

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British subjects in the Army or in the Navy for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British Subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

(Signed) CLARENDON.

## GENERAL ORDER. No. 678.

*Horse Guards, 22nd September, 1856.*

It has been brought to the knowledge of His Royal Highness the General Commanding-in-Chief, that permission has been given to strolling performers to exhibit in Military School Rooms.

Such a practice is strictly forbidden.

There is no objection to School Rooms being used by Soldiers, under proper restrictions.

By order of His Royal Highness,

THE GENERAL COMMANDING-IN-CHIEF.

I.

SIR,

*Horse Guards, 25th September, 1856.*

His Royal Highness the General Commanding-in-Chief, with a view to relieve Regiments from the great expense now consequent upon the necessity of employing professed Musicians—*Civilians*—as Masters of Bands, has it in contemplation to recommend the establishment of a large Musical Class, as part of the education of boys sent to the Royal Military Asylum, and for the instruction of persons sent from Regiments to qualify for Bugle-Majors, Trumpet-Majors and Band Masters, and whose training would require especial time and attention.

No immediate benefit could be expected from the institution of such a Class; but it may reasonably be hoped that, in a year or two, many of the pupils would have acquired sufficient skill to assist in the work of instruction, and that, after that period, several would be eligible for the situations named, viz., Bugle-Majors, Trumpet-Majors and Band Masters.

A preliminary outlay of 500*l.* or 600*l.* would be necessary for the supply of Musical Instruments; and it is calculated that 1,000*l.* per annum would be afterwards necessary to maintain the Class, including the salary of a Director, the necessary Professors, copying and arranging Music, &c., &c., repair of Instruments, and other incidental expenses.

There are now 112 Battalions of Infantry, and 26 Regiments of Cavalry, exclusive of Artillery, Sappers, Military Train, and ten Colonial Corps.

If every Regiment would pay an original subscription of 5*l.*, and 8*l.* per annum to the Fund, ample provision would be made for all expenses.

It is unnecessary to dilate on the expected advantages of this proposition; but there is every reason to hope, that it will result in a great saving of expense to Regiments, and tend to the permanent efficiency of Regimental Bands.

His Royal Highness requests to be favoured with your opinion on this subject.

I have the honor to be, Sir,

Your most obedient humble Servant,

G. A. WETHERALL,

*Adjutant-General.*

*Horse Guards, 26th September, 1856.*

Commanding Officers of Regiments from the Crimea will transmit, without delay, to the Adjutant-General, reports whether or not the men of their Regiments are in possession of their Chacos, and if not, to state in detail the reasons for such, and the measures which have been taken for obtaining them.

Commanding Officers of all Regiments will send in a report whether the Equipment of their Regiment is complete; if not, to state what articles are deficient, and what are of new patterns and of old respectively.

By Command.

## GENERAL ORDER. No. 679.

*Horse Guards, 2nd October, 1856.*

The Queen desires to make known to the Army her sincere grief at the loss of that great and eminent soldier, Field Marshal Viscount Hardinge.

A few weeks only have elapsed since, yielding to the request of the Field Marshal, whose health had given way under the arduous duties of his office, the Queen reluctantly accepted his resignation of the Chief Command of her Army.

The assiduous labour of a long public and eventful career, during which Viscount Hardinge held some of the highest offices of the State, terminated, too soon, a life fertile in resources, and of unwearied perseverance and devotion to duty.

The Queen has a high and grateful sense of Lord Hardinge's valuable and unremitting services, and in his death deplores the loss of a true and devoted friend.

No Sovereign ever possessed a more honest and faithful counsellor, or a more loyal, fearless, and devoted servant.

His Royal Highness, Commanding in Chief, has a gratification in publishing Her Majesty's feelings and sentiments (in which he sincerely participates) on this melancholy occasion, and is confident that the Army will equally lament the loss of one whose whole mind was applied to the promotion of their efficiency and welfare.

By Command of His Royal Highness

THE GENERAL COMMANDING-IN-CHIEF.

G. A. WETHERALL,

*Adjutant-General.*

## CIRCULAR MEMORANDUM.

Horse Guards, 13th October, 1856.

THE system which has hitherto prevailed for the formation of Regiments of Infantry into Service and Depot Companies will cease, and the following be substituted, Regiments at home being also formed into two portions, like those abroad.

2. Each Regiment of Infantry, excepting Regiments serving in the East Indies, and Local Corps, is to be divided as follows, viz. :—

|                      | Lt. Col. | Majors. | Captains. | Lieuts. | Ensigns. | Staff. | Serjeants. | Drummers. | Rank and File. |
|----------------------|----------|---------|-----------|---------|----------|--------|------------|-----------|----------------|
| 8 Service Companies. | 1        | 2       | 8         | 10      | 6        | 6 =    | 46         | 17        | 800            |
| 4 Depot Companies.   |          |         | 4         | 4       | 4        | 0 =    | 10         | 4         | 200            |
|                      | 1        | 2       | 12        | 14      | 10       | 6 =    | 56         | 21        | 1000           |

3. The former will, when the Regiment is at home, and remains over its strength, as now in many instances, bear 50 supernumerary Rank and File, until they are absorbed in the regular Establishment, and until which recruiting will cease. In cases where a Regiment, the Service Companies of which are abroad, has supernumeraries, they are to be borne by the Depot until absorbed.

4. The following Regiments will, however, be excepted at present, and until relieved from Foreign Service, will remain as they are now divided, viz., the 12th, 26th, 36th, 37th, 45th, 58th, 59th, 65th, 67th, 69th, and 91st Foot.

5. The men composing the Service Companies must be carefully selected, and none but those in every respect fit for immediate service be retained with them.

6. In order to ensure the continued efficiency of the Service Companies at home, and their readiness for immediate embarkation, Officers commanding Corps in the United Kingdom will notify to the Adjutant-General, on the 1st of each month, all casualties, and report such medical cases as, in the opinion of the Surgeon, will render the patient unfit for field duty eventually, the object being to keep the Head Quarters at all times ready for active service, and unencumbered with useless men or *materiel*.

7. Depot Companies of Regiments will be formed into Battalions, under Officers specially appointed to command them. All recruits will be sent to these Depôts, there to be trained and qualified to take their places in the ranks of the Service Companies; and all men fit only for home duty, or proposed to be invalided, or who, from various causes, are unfit to endure the fatigues of service, or the wear of tropical climates, will belong to the Depot. Men of bad character, and those under punishment, are not to be sent to the Depot. All such are best controlled at Head Quarters, and should any of this description be sent to the Depot, except from other causes, a special report will be made to the Inspector General of Infantry.

8. No man is to be sent to Head Quarters, who has not been thoroughly drilled, and well instructed in the use of his rifle.

9. The whole of the Records, Attestations, &c., are to be in charge of the Officers in command of the *Depôt* Companies, and authenticated copies sent to the Service Companies with the men when transferred.

10. The Records are to be kept by the senior Officer of each *Depôt*, under the supervision of the Officer commanding the Battalion, who will be responsible for their correctness. The Attestations are to be filled up and kept by the Battalion Paymaster, and the third page of each is to be an exact copy, not an abstract, of the original Record.

11. Saving Bank Accounts will form no part of Consolidated Battalion Accounts; they will be kept separately by the Officers commanding the *Depôts*. A clerk will be selected for these purposes.

12. Where it is practicable, a separate orderly room will be allotted to each *Depôt*, or one room for all the *Depôts* forming a Battalion, in which the duties referred to, and in paragraph 37, may be concurrently conducted.

13. Vacancies occurring among the non-commissioned Officers are to be filled up by the promotion of the most deserving individuals in the Regiment, when it is serving at home, or, where ready communication can be had with Head Quarters, when the Service Companies are abroad. In other cases, the Officer commanding the *Depôt* Battalion will exercise his own discretion in filling up vacancies at the *Depôt* from the men with the Battalion, belonging, of course, to the Regiment in which the vacancy occurs, and paying due deference to the recommendation of the senior Officer of each regimental *Depôt*.

14. Officers employed on the recruiting service, or at the Royal Military College, are to be considered as belonging to the *Depôt*, and are to be reported accordingly in the proper column in the returns.

15. All newly appointed Officers are to join the *Depôts*, and Officers will be sent to the Service Companies to fill vacancies according to their position on the roster.

16. In cases of exchange the Officer will, according to the rule of the Service, join that portion of the Regiment to which the Officer with whom he exchanged belonged.

17. When Officers return home from foreign service on sick certificate, and their absence, on that account, exceeds six months, they will be attached to the *Depôt*, and their places be filled by Officers of corresponding rank from the *Depôt*.

18. Officers returning home on private affairs are not to be placed on the strength of the *Depôt*, without the special permission of His Royal Highness the General Commanding-in-Chief.

19. The Officer commanding the *Depôt* Battalion is not to leave to the senior Captain of each *Depôt* the selection of men to be sent to the Service Companies, but will himself regulate the detachments according to the date of enlistment of the recruits, provided they are in all respects fit for service.

20. With a view to prevent any misunderstanding or delay, and in order that every Officer may be prepared to take his tour of duty when instructions are received for him to join the Service Companies, a roster is to be kept of the Officers with the several ranks with the *Depôt* Companies, and it is to be considered as a *general rule* that such Officers as may have been for the longest period at home, or absent from the Service Companies, whether on leave or with the *Depôt*, shall be the first to proceed to the Service Companies.

21. To ensure a due observance of these Orders, it is directed that, on the left side of the names of the Captains, Lieutenants and Ensigns respectively, in the monthly returns and effective states of the Depot Companies, the figures 1, 2, 3, &c., are to be marked in red ink, denoting the regular succession of officers of each rank to join the Service Companies; and the date of their joining the Depot is also to be inserted in the Monthly Returns, in the column appropriated for that purpose.

22. The formation of Bands of Music at the quarters of Depôts is strictly forbidden, and the instructions contained in the Circular Memorandum of 12th February, 1845, are to be enforced. Four drummers being allowed on the establishment of Depôts, six acting drummers will be permitted, thus giving ten drummers and acting drummers, a number considered sufficient to meet the demands which may occasionally be made by the Service Companies.

23. As under the system of forming Depôts into Battalions, a Staff will be authorized for each Battalion, the Major and Assistant Surgeon, heretofore posted to the Depot, will remain with Head Quarters, and no acting regimental Staff, either of Officers or non-commissioned Officers, will be required.

24. The returns formerly prescribed to be furnished by the Service and Depot Companies respectively, when the Head Quarters were abroad, will also be furnished where both portions of the regiment are at home.

25. Commanding Officers of Depot Battalions cannot have too strong a sense of the importance of their commands. The efficiency of the Service Companies of Regiments, a matter of first importance, will in a great degree depend upon their exertions and abilities.

26. All young Officers will, in the first instance (as directed in Article 15), join their respective Depôts, there to be taught the rudiments of their profession; and on the degree of attention paid to their instruction will depend their future advancement, and their value as Officers.

27. Exclusive of the ordinary drill, Commanding Officers will be held responsible that all are well acquainted with those parts of their duty contained in paragraphs 1 to 9 inclusive, of the Circular Memorandum dated 4th July, 1851; and for this purpose it is incumbent upon them to assemble the Officers at least once a week to be examined, by the Majors or themselves, on the subjects there enumerated. Commanding Officers should also encourage young Officers to qualify themselves in the higher branches stated in the Circular above alluded to, without a knowledge of which they cannot expect promotion. If any Officer especially distinguishes himself by zeal in the acquisition of professional knowledge, and is considered to be a competent instructor of others, a special report is to be made to the Inspector General.

28. The system of "squadding" should never be lost sight of. Every Subaltern and Serjeant should possess a squad-book, containing the names and numbers of each man in his squad, together with the numbers of his arms and accoutrements, which, under the Order of 17th April, 1856, should be the same. They are expected to be acquainted with all men of the squad, and to give an account of them when required.

29. Commanding Officers of Regiments will nominate as the senior Officer of the Depot the Captain whom they may consider best qualified for the

post, without reference to his standing in the Regiment; the other three Captains will, in the first instance, be the three juniors of that rank.

30. Although regimental Depôts are only component parts of the Battalion to which they belong, and to be dealt with by Commanding Officers as the Companies of any other Regiment, the utmost latitude, consistent with the supreme control of the Commanding Officer, should be given to the senior Officer of each. To this end, the Captains, or Officers commanding companies will, in the exercise of their authority in punishing defaulters, submit the crimes and punishments awarded to the senior Officer of the Depôt for his sanction and advice, who, having approved or amended the awards, as he may think proper, will lay them before the Commanding Officer of the Battalion, in the usual manner, for his information and control. Such discretionary punishments, after being approved, will be entered in the Company Defaulter Book by the Officer commanding the Company, in his own handwriting.

31. The daily payment of the men is a matter of paramount importance, and will always be done by an Officer of the Company personally, and immediately after morning parade.

32. The drill of recruits and others is to be carried on as far as practicable *regimentally*, i.e. the recruits of each regiment will form separate squads, and be instructed by their own drill serjeants; the whole being, of course, under the superintendence of the Commanding Officer of the Battalion, or Adjutant, who by this means will have an opportunity of ascertaining the progress of, and attention paid to Depôts respectively.

33. Officers commanding Depôt Battalions will exercise the Depôts frequently and regularly as a Battalion; practising them in Battalion movements and duties of Light Infantry, as prescribed by the "Regulations for the Field Exercise and Evolutions of the Army," so as to render all the men as efficient as possible, and ready at any moment to take their place in the ranks of the Service Companies.

34. Depôt Battalions are schools of instruction for officers and men; they are also formed to ensure uniformity of system throughout the Army, and, whilst every encouragement will be given to maintain that *esprit de corps* which induces regiments to rival each other in good conduct, efficiency and dress, every check will be applied to regimental peculiarities which may have crept into the Service unauthorizedly, and to which Commanding Officers will especially direct their attention, as well as to those minute details of drill and interior economy which, though of the first importance, have often been neglected or misunderstood.

35. Care has been taken to select Officers qualified for the instruction of those under his command; but so important is their office that, if any should hereafter be found unequal to the discharge of their onerous duties, either from natural deficiency, or as wanting moral courage to carry them out, it will be imperative to replace them.

36. If there is any want of zeal in the Staff Officers, or in the Officers belonging to the Battalion, it should be brought to the notice of the General Commanding-in-Chief, through the Inspector General of Infantry.

37. As a general rule, the correspondence of Depôt Battalions will be regulated as follows, viz.:—

1st. All matters of immediate discipline, requiring the cognizance of Garrison or District Courts-martial, will be submitted to the Officer

commanding the Battalion, for the decision of the General Officer commanding the nearest station or division.

2nd. All applications for leave of absence will be similarly transmitted.

3rd. All matters, whether emanating from a Regimental Depot, and affecting it only,—or applicable to the whole Battalion,—involving a change of system or arrangement, or containing suggestions for the proposed benefit of the service generally,—will be referred by the Commanding Officer to the Inspector-General of Infantry.

38. All periodical inspections of Depot Battalions will be made by the Inspector General of Infantry.

39. When more Battalions than one are quartered at a station, the senior Officer will exercise supreme command in all matters not purely of a Battalion or Regimental nature; he will occasionally exercise the Battalion in brigade, and perform all other duties which by the rules of the Service devolve upon Officers so placed.

By Command.

“As desirous of quitting the Army,” and

“To complete the required reduction;” and His Royal Highness The General Commanding in Chief directs, that such men be attached to the Head Quarters, when the Regiments are at Home, and not to the Depôts, which should not exceed their establishment, viz. 10 Serjeants, 4 Drummers or Buglers and 200 Rank and File.

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force :

## Regulations respecting Foreign Orders.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on any such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission, may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorize the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of Her Majesty's Realm.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

## Regulations respecting Foreign Medals.

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British subjects in the Army or in the Navy for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British Subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

# BANK OF DEPOSIT,

**No. 3, PALL MALL EAST, LONDON.**

ESTABLISHED A.D. 1844.

**CAPITAL STOCK £500,000.**

THIS Association is composed of two distinct and separate branches : the one comprising the business of a **BANK OF DEPOSIT** for the Investment of Capital; the other, the ordinary transactions of **LIFE ASSURANCE**.

## **BANKING DEPARTMENT.**

The object of this Department is to afford a safe and easy mode of Investment, and to effect important improvements in the present system of Monetary economy, both as regards the security afforded to the Public, and the rate of Interest realized.

The plan of the Bank of Deposit differs materially from that of ordinary Banks, in the mode of investing Capital. Ultimate profit and security being the main objects regarded, the Board of Management principally employ their Funds in Loans upon vested Life Interests, and other similar securities, and in the purchase of well secured Reversions, a class of securities, which, although not immediately convertible, it is well known yields the greatest amount of profit, combined with the most perfect safety.

## **RATE OF INTEREST.**

*The present rate of Interest is Five per cent. per annum, payable half-yearly; and the Board of Management confidently anticipate that a careful and judicious selection from securities of the above description will enable them to continue this rate to the Depositors.*

## **INVESTMENT ACCOUNTS.**

Money is received daily between the hours of **TEN** and **FOUR** o'clock. Investment Accounts may be opened with Capital of any amount, and increased from time to time, at the convenience of Depositors.

A Stock Voucher, signed by Two Directors, is given for each Sum deposited.

## **INTEREST.**

The **INTEREST** is payable in **JANUARY** and **JULY**, and, for the convenience of parties residing at a distance, may be received at the Branch Offices, or through Country Bankers, without expense.

**PETER MORRISON**, *Managing Director.*

**Prospectuses and Forms for opening Accounts sent free on application.**
